We, the students of Marinette High School invite you to stroll with us down Memory Lane. As we wander, we will be reminded of the dearest moments in our lives, the happenings of the past year.

For the Seventh graders, our yearbook will be a memory of their first year in high school.

For the underclassmen, it will be a reminder of the faculty, the students, and school life in general.

For the Seniors, a memory of their last year at our Alma Mater.

Our yearbook will not only be a reminder to all, but it will help us to re-live the exciting moments of the past year.

Our school is a symbol of the freedoms which we, the students enjoy in this democracy. It is a symbol of the freedoms of religion, speech, and education, that we all share. May we let this great institution be a pleasant memory to us as we proceed on through the years into a world of endless opportunities.

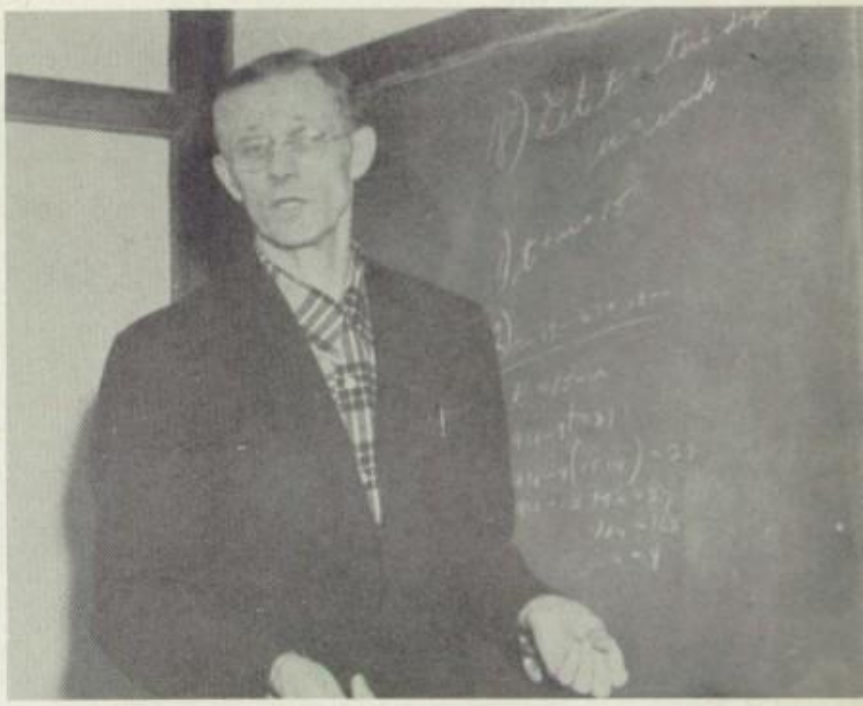
Science and

In this scientific age, it is almost a necessity that the students are given an opportunity to obtain a sufficient amount of scientific knowledge. In Marinette High School this advantage is granted to our students from the eighth grade to the twelfth.

In the 8th and 9th grades Marinette students receive a well rounded course in general science. The science curriculum of the next three years is more specialized. Biology, Chemistry, and Physics are offered as electives to the upperclassmen of the school.

Our Science Department has had its equipment much improved the past year. New tables were put in the Physics room and all new Chemistry equipment was installed. The aquarium in the Biology room was fixed after being idle for a period of two years. This not only betters studying conditions, but also adds an attractive appearance to the room.

W. Lieburn, V. Landerman, B. Oakwood, B. Wagner and P. Snare start an oxygen experiment.



Mr. Molander explains trigonometric functions in his own dynamic fashion.

Rube Goldberg equipment is part of Mr. Joslin's class.

Mathematics

Mathematics is one of the most important subjects taught in M.H.S. Our world today, would be as backward and uncivilized as the Paleolithic Age, if Mathematics had not been taught on as wide a base as it has been. The many inventions and improvements in the world conditions would have been impossible.

General Arithmetic is taught in seventh and eighth grade Math classes, and the main activity of the Basic Math Class was to learn how to interpret and fill out Income Tax Blanks, a procedure which will be helpful to them, the rest of their lives.

Our Solid Geometry Classes are carrying on some very interesting projects. They have constructed geometrical designs with thread, and pencil work. The Algebra and Trigonometry Classes have devoted most of their time to calculating problems by advanced methods.

J. Haynes, G. Sherman, Mr. Krumheuer, D. Kassha are discussing a problem in weather as related to the geographical features of the United States.

R. Smith, R. Worm, and D. Wagner discuss a world problem in panel form in American History.

All learning occurs through some form of communication: namely reading, speaking, writing, listening, thinking, and observing. Supplementary to these primary techniques are spelling, punctuation, capitalization, grammar, usage, dictionary, and library skills.

Intelligent living in a democracy requires a high degree of proficiency in the fundamentals of language arts. It is necessary for students to acquire the ability to read intelligently, to interpret meaning accurately, and to examine critically what they read. Therefore, a well-balanced program offering opportunity in wide and varied reading is provided. This program in literature is so planned as to help the student sense and maintain the democratic way of life, enrich personal living and deepen sympathetic understanding of others, acquire a knowledge of man's struggle for freedom, and gain a respect for the cultures of other nations.

An increasing free and effective interchange of ideas, is also vital to life in a democracy. The English program recognizes this point of view and provides for a continuous plan of functional speaking writing: conversation, formal and informal discussion, reports, parliamentary procedure, letter writing.

For students interested in journalism and in special training in speaking, elective courses are offered in speech and journalism.

Social Studies

The Social Studies Department of Marinette High School, offers a wide selection of classes: World History, American History, Geography, Citizenship, and Social Problems.

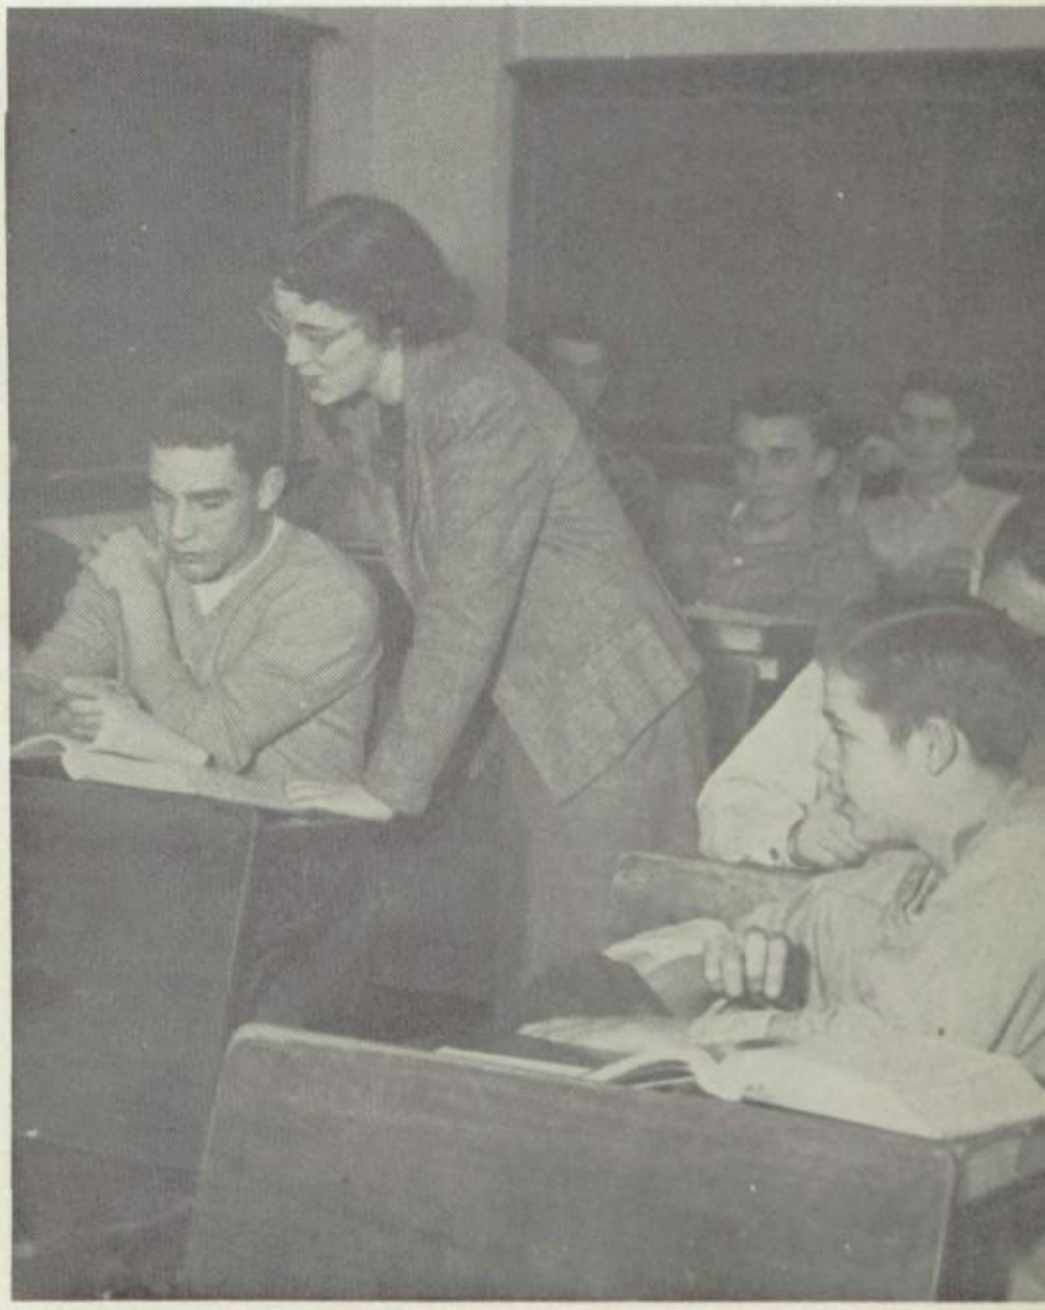
In the study of American History, our students gain a knowledge of the world around them, from both a geographical and critical standpoint. Also of equal importance, is the study of our nations government and its comparison to governments of other countries.

The whereabouts of near and far places, along with the observation of the various climates are included in the studies of our Geography classes.

The major activity of the World History classes is tracing the development of the world from the beginning of time to 1953. The actions and interactions of political forces which shape the development of mankind to the 20th century.

The functions of all the various types of government and the duties of a good citizen are summed up in our Citizenship studies. In addition to this, they keep the second floor bulletin board posted with current news.

In Social Problems, an elective course in Marinette High School, the students study crime, marriage, divorce, family problems, and an endless number of social and economic complexities.



Miss Baima helps J. Hanson with questions about Arrowsmith while J. Krueger looks on.

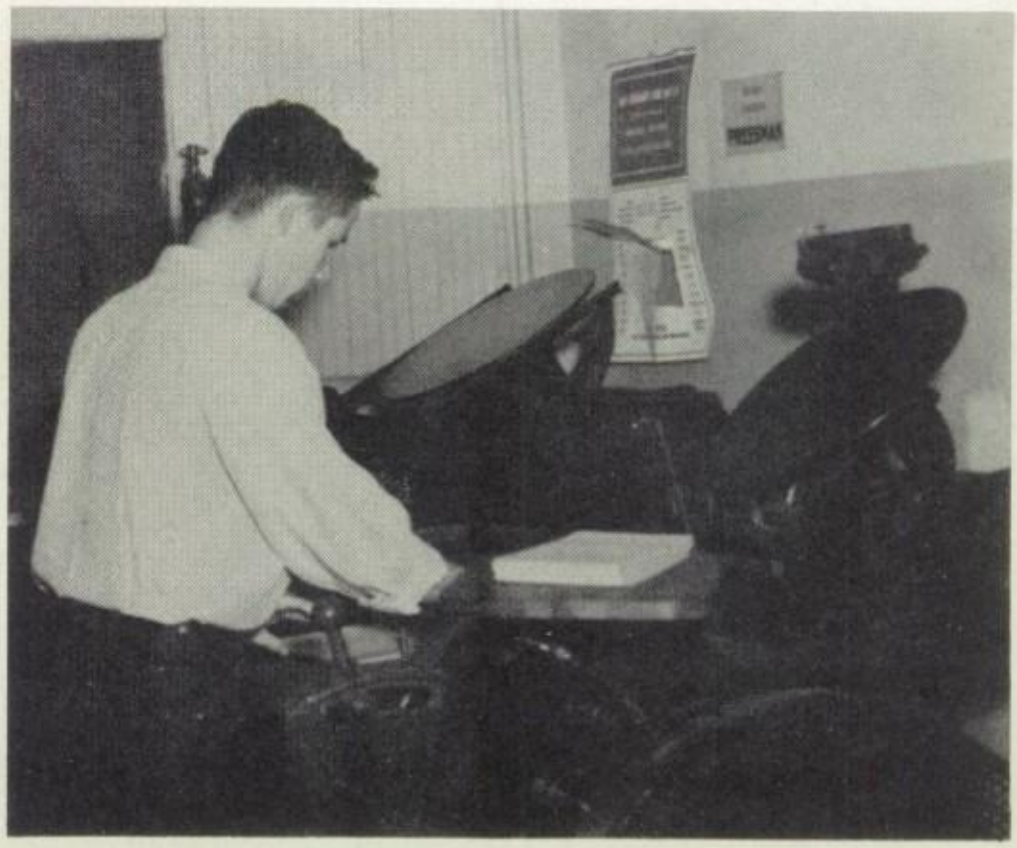
J. Schewe uses a power saw to shape part of his year's project.

SHOPS

All the various shops of Marinette High School play an important part in our school life. They provide the students with an opportunity to prepare themselves for future work, as a skilled laborer.

The students learn all the various parts of important machines, and how to operate them. One may find our boys, drawing up blue prints, printing tickets for the various activities of our school, and turning out furniture that is really worth the time and effort, that was put into its production.

This Manual Training not only offers training for an interesting vocation, but also prepares our boys to become, "the handy-man around the house!"



J. Borowski prints basketball programs as part of the print shops school service.

M. Burns, S. Hanson, I. Litts, and J. Olson prepare a devils food cake with the use of the new kitchen equipment.

Home Economics

Marinette High School has one of the finest Home Economics, courses taught in this country. A wide variety of homemakings are taught, among them being sewing, cooking, baby-care, and the nutritive value of food.

After the students have learned many important sewing and cooking habits, they turn out fashionable clothes of the latest styles, and foods that are tempting to all.

The new modern kitchens that were installed this year, not only add to the beautiful appearance of the room, but also make the cooking conditions much more convenient. This new equipment will be a reminder to our future housewives of what they learned in this course.

M. Larson, J. Goldsmith and V. Kulick prepare the frosting for the devils food cake.

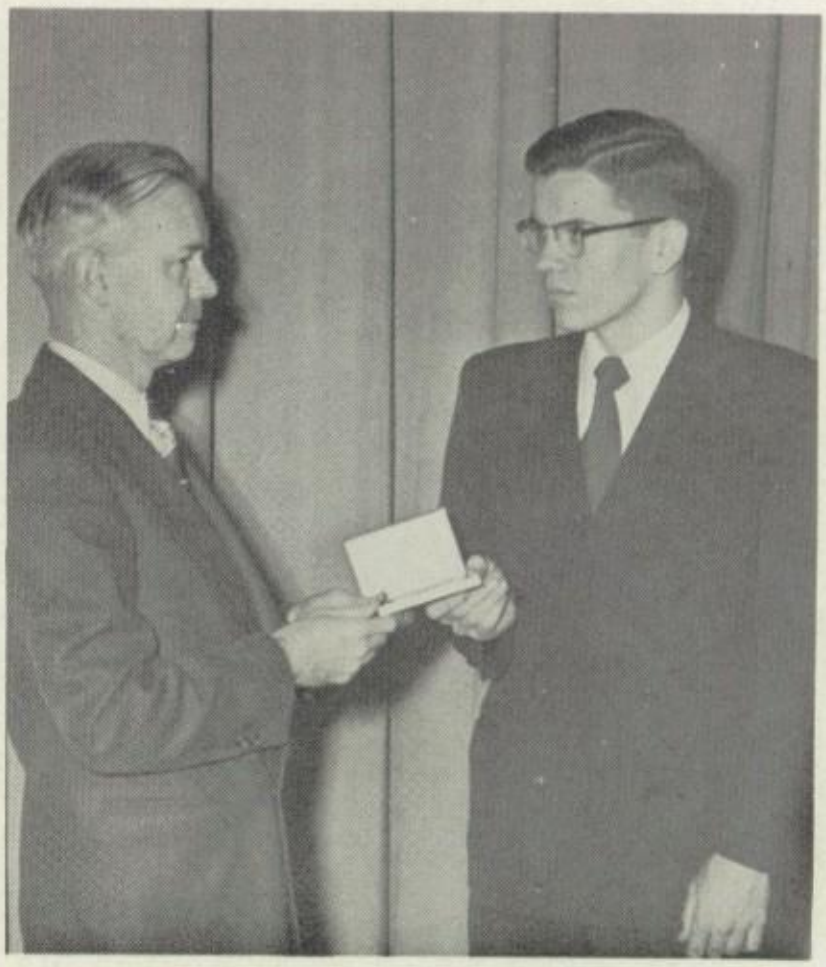
AWARDS AND HONORS

The greatest honor a student can achieve in his Senior year is to receive one of the awards, which are made available to them through local, state, and national organizations. While some of these awards lead to scholarships, and others remain honorary, all of them are of equal importance to the whole class.

The Baush and Lomb award was given to Kenneth Exworthy, for his outstanding achievement in Science. This award may eventually lead to a university scholarship.

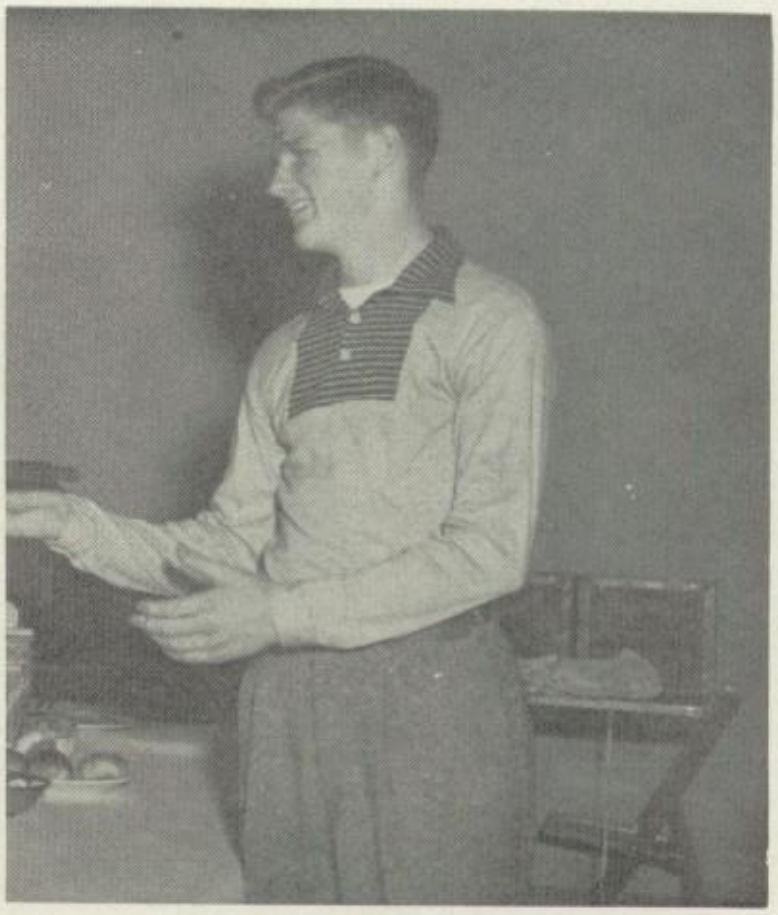
The D.A.R. award, based on leadership, dependability, and patriotism was given to Mary Dahnke. Mary has a chance to win local, state, and national contests for D.A.R. candidate.

Other awards given at M.H.S. are the Music Award which is given to a student who has performed outstanding work in the field of music. A years subscription to the Readers Digest is given to the number one pupil of the class. The Legion Medals and Elks Award are athletic awards which are given to the outstanding athlete of the year. The Elks also award the pupil receiving the highest score on a test of the Constitution.



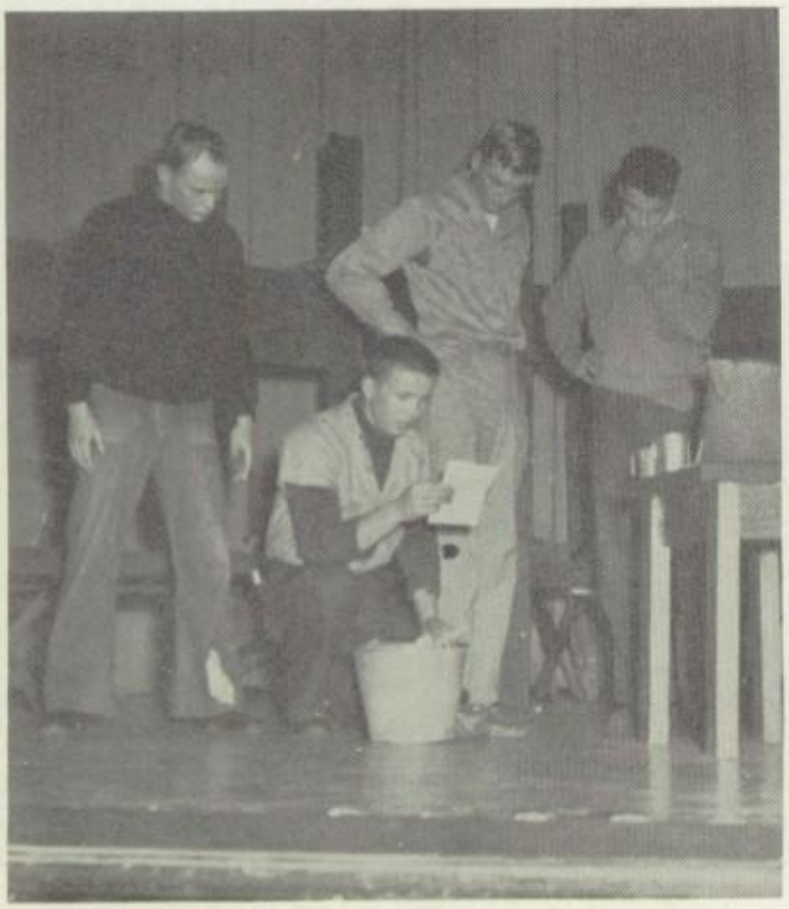
Mr. Exworthy, Science Department Head, presents to his son, K. Exworthy, the Bausch and Lomb medal which is given to the outstanding student in Science.

Mr. Godson presents M. Dahnke with her award as the local D.A.R. winner.



D. Waugus receives the Elks award as the outstanding football player of the year.

K. Exworthy, T. Wallfred, T. Kaufman, E. Lang and P. Snare, smile proudly, at the announcement of their being the Badger State Representatives.



D. Martindale, K. Sunstrom, R. Peterson, and B. Olson won fame in the one-act play.

M. Plautz and S. Christensen, hold the certificate won N. S. P. A. contest.

Junior Class Presents "Room For One More"

The Junior Class, chose for its annual play, presented February 16th and 17th, "Room For One More", by William Davidson. This two-act comedy was an adaption from the popular movie. The Rose family vacations at the Pumpkin Shell, their cottage at the seashore. The family is five in number, two original Rose children and three children who have come into the home. This family is challenged by difficulties and is unperturbed by lack of money. The home becomes a haven for orphans who have never known happy family life. Here they are welcomed and adapt themselves to fit the Rose's method of living.

E. Orsett delivers the milk to G. Wood, (Mrs. Gibbs).

"Our Town", the play chosen by the Seniors, was done with few props and the stage manager introduced the plot and characters. Miss Mary Forthun did a very able job in directing the play and her student assistant was Nancy Arendt.

In the 1st act, the stage manager outlines the history of Grover's Corners, and something of the character of its citizens. Then he carries you into the house of the Gibbs and Webb families.

The second act concerns the love affair between George Gibbs and Emily Webb, and culminates in the wedding scene.

In the third act, we are led to the cemetery on the hill, where many of the townspeople are patiently awaiting not "judgment" but greater understanding. Into their midst is led the bride, a little timid, to live again with her memories. But she is shown how impossible and how futile it is to return.

Senior Class Party

A gay "Carousel" theme was the setting of the Senior Class Party, held January twenty-first of this year. There was a tremendous "turnout" and everyone seemed to be enjoying the colorful decorations composed of colored streamers and balloons of all sizes and shapes.

Delicious, assorted cookies and a cut-glass punch bowl created a pleasing center-piece for the table. Butsy Grey's orchestra provided the music for the dancing.

Entertainment was provided by the "Barbershop Trio", composed of Ray Hill, Jim Davis, and Dave Martindale, accompanied by Emmyln Sappington. They sang "Coming Through the Rye", The Wiffinpoof Song", and "In the Shade of the Old Apple Tree", which they parodied into "Twas the Party in Old Marinette High". Emmyln Sappington sang "You Belong to Me" and "Because Your Mine."

Chaperones for the Senior Class Party were Mr. and Mrs. Peterson, Mr. and Mrs. Lang, Mr. and Mrs. Davis, Mr. and Mrs. Thomsen, and Mr. and Mrs. Wallfred. The Senior Class Advisors were Miss Jennie Golden, Miss Betty Baima, Miss Ruth Greene, Mr. Alden Krumheuer, Mr. Robert Brockman, and Mr. Robert Schuchart.

The Senior Class Party, usually part of the Christmas activity, was postponed until January this year, due to an accident that involved a number of the class members.

Student's Trip

To Nation's Capitol

On April 16, 1952, Miss Alice Sunstrom and 37 jubilant Juniors and Seniors from M.H.S. boarded the "400" for the long awaited trip to Washington, D. C. After spending a night of fun on the train, the students arrived at Union Station in Washington. Sightseeing began immediately.

On the list of the innumerable sights to see, the Capitol was visited first. Here they visited the Justice Department, and the Library of Congress, which houses the Declaration of Independence, the Constitution, and other important original documents. That afternoon was spent at Annapolis. At lunch, at the Hotel Willard, the students were privileged to meet Senator Wiley and Senator McCarthy of Wisconsin.

After spending Friday morning at the beautiful Lincoln and Jefferson Memorials, the group passed through Alexandria, Virginia, to Mount Vernon, where they spent the entire afternoon visiting Washington's home.

After seeing their last sights of the tour, the Bureau of Printing and Engraving, the Washington Monument and the Smithsonian Institute, the students were commenced to retrace their steps back home.

1952 Junior Class Prom

"An American in Paris", proved to be a very enchanting theme for the 1952 Junior Prom. Shining stars composed the ceiling, and added a charming touch to the various street scenes of Paris that lined the walls. Among these scenes were the Arc de Triomphe de l'Etoile, which is a monument in Paris at the head of the Champ Elysees Avenue. The mural decoration was extended to include the twelve great Avenues which radiate from this arc, one of them being Bois de Boulogne, leading to the park. On the left bank is the Pantheon, a memorial temple. The Latin Quarter is the celebrated student district of Paris in which are located the College de France, the Sobonne, the Institut, the Luxembourg, and the Pantheon. As we wander down the avenues, we see the Eiffel Tower raised on the Champ de Mars, 984 feet high. The Notre Dame Cathedral, a magnificent sight, is one of the oldest and largest churches in the world. At the end of our sight seeing tour is the Follies-Bergere, a vaudeville hall in the Rue Rucher.

A fountain, imitating the Saint Sulpice, that stood in the center, seemed to lure the couples onto the floor. Ernest Tomassoni' Orchestra, from Iron Mountain, provided the music for the dancing and the Grand March, which was led by Prom King, Tom Kaufman and his Queen Valerie Landerman. Queen Valerie, was crowned with stunning carnations, by King Tom, adding a colorful moment to the evening.

Chaperones for this gay affair were, Mr. and Mrs. W. F. Waterpool, Mr. and Mrs. Wm. Godson, Mr. and Mrs. Stafford Byrum, Mr. and Mrs. Raymond Cook, Mr. and Mrs. Stuart Lang, Mr. and Mrs. Edwin Landerman, Mr. and Mrs. Lloyd Harmon, Mr. and Mrs. Alden Krumheuer, Mr. and Mrs. Ralph Schinski, Mr. and Mrs. William Jones, Miss Ella Mae Schloer, Miss Marlyn Simonson, Miss Jennie Golden, Mr. Robert Schuchart, Miss Nancy Juster, and Mr. Robert Brockman.

HOMECOMING

1952

Queen E. Gould and her court leave the field after J. Schmidt crowned the Queen in Homecoming half-time festivities.

The suspension of all athletic contests with Marinette's keenest rival, Menominee, brought a precedent to the school. In 1952 the first homecoming in the history of the school was celebrated. Watertown, the last game of the season, was our foe. The festivities that launched homecoming began about two weeks previous to November 1. Mr. Godson announced that there would be no parade. An assembly was planned and all those classes and clubs who desired could participate. Of course, there had to be one who would reign over these activities; the homecoming Queen. At a meeting of Student Council, it was decided to nominate five senior girls for this honor. The students voted for one; the girl receiving the most votes would be queen, and the runner-up, the senior representative in the court. Nominated were: Faye Dzurick, Elaine Gould, Beverly Oakwood, Marilyn Cook, and Barbara Mans. Prior to this, the Pep Club had a special meeting and chose for the queen's court: Diana Olson, freshman, Laura Sievert, sophomore, and JoAnn Farrell, junior. The Journalism Class tabulated the votes and published the name of the queen in the Mariner. As was to be expected news slowly leaked out and many students professed to know who was queen before the announcement.

D. Olson, L. Sievert, E. Gould, J. Farrell, and M. Cook pose for a picture at the victory dance after the Watertown game.

J. Widen, Mr. Stiehm, S. Nelson and R. Nelson enjoy a shower after our victory over Watertown.

R. Hill leads a cheer as members of the Pep Club stand by.

The assembly proved to be a success because of the many participants. Prizes were awarded to (1) Mariner Scouts, (2) Mariner Staff, (3) 12th Night, Richard Peterson, President of Student Council, introduced the chosen queen, Elaine Gould, and her court. At half-time ceremonies the next evening, the queen and her court made their appearance. They were dressed in white formals and carried purple and white colonial bouquets donated by Everard and Kamin Floral; the queen was crowned by Jimmy Schmidt and then the head majorette, Sally Miller, gave the queen her roses. The band lent an atmosphere to the occasion and with Watertown's defeat, "Miss Victory" completed her successful reign.

Defensive team watches offensive team score a touchdown against Watertown.

Our students have many memories of the wonderful times they have enjoyed as they participated in the various club activities of the year.

They sang, they danced, collected stamps, gave orations, studied science and math; they did all this as part of Marinette Highs extra-curricular program.

Not only did club membership add zest to high school life, but it was educationally beneficial as well.

CHOIR

"Music is the only art that lives", said Paderewski. It truly lives the year around at M.H.S.

The haunting memories of "Give Me Your Tired, Your Poor", and "My Love Dwelt In a Northern Land", will never lose their imprints in the minds of the vocalists from Room 307.

The complexity of this years' repertoire in the music department took painstaking work resulting in a refreshingly new accent in selections presented by the choir.

Glee Club

One of the most fascinating parts of the music department is the Glee Club. This club is comprised of girls from the freshman to the senior class. Numbering nearly one hundred fine voices, the Glee Club gave several praise-worthy performances during the course of the school year.

As are the Boys' Glee Club and the Mixed Chorus, the Girls' Glee Club is under the direction of Miss Lucille Austin, a newcomer to our music department this year.

The Spring Festival was a huge success for the Glee Club since they came home with a good rating, thus keeping up the tradition of the Music Department here at M.H.S.

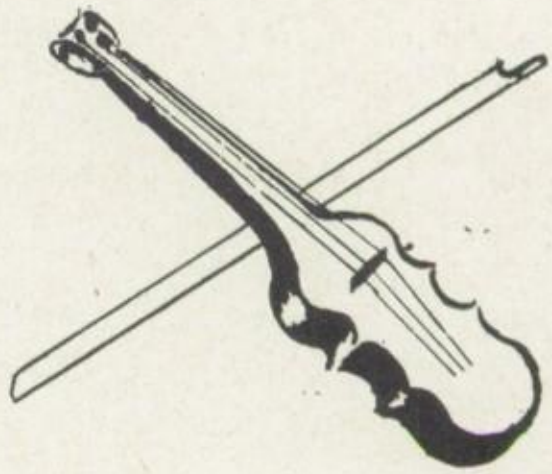
ORCHESTRA



The Orchestra this year had a very busy and successful year. Under the direction of Miss Norma Bergerson, their new director, the Orchestra did very commendable work. The time and effort they devoted to their work was exemplified by the acknowledgment they received from their audiences at both the Spring and Christmas Concerts. In the Spring Festival, the Orchestra ranked high in the high school competition.

In addition to their concert work, the Orchestra prepared several selections which they presented at the Jr. Class Play.

The officers chosen were: President, Robert Gerend; Vice-President, Sharon Kronquist; Treasurer, Sharon Godson; Student Council, Kenneth Exworthy. President Robert Gerend was also the concert master.

Triple Trio

The Triple Trio . . . matched to perfection—through nine perfectly blended voices.

Inspired by Miss Lucille Austin, the flair for versatility was reflected in the Triple Trio's selections from "Bach" to "Be-bop". It brought splashing color to the many school and civic affairs where they presented their many melodious interpretations.

Junior High Forensics

A few years ago the Junior High Forensic Club was organized to encourage Forensics among the younger students at M.H.S.

The members of the club learn extemporaneous speaking. The group competes among themselves in order to gain some experience for further work in the advanced fields of Forensics.

Mrs. Margaret Schwartz is the very capable organizer of the group.

The officers elected for the club were: President, Jean Vermilye; Vice-President, Donna Messenger; Secretary - Treasurer, Nancy Brumm.

Library Council

The members of the Library Council perform a great service for our school. Their many duties consist of: checking books out, helping puzzled students to find research material, mending old books, filing new cards into the card catalogue, and decorating the second floor bulletin board.

This club is under the capable guidance of Miss Lillian Bruce, our school librarian. The officers elected to serve for the 1952-53 school year were: President, Lucille Chmela; Vice-President, Nancy Arendt; Treasurer, Kathleen Stromer; Secretary, Sharon Kronquist; Student Council Representative, Nancy Smith.

This year the Library Council again sold football and basketball schedule pencils to cover the expenses of carrying on the many activities connected with their work. A picnic breakfast was held at the end of the year which climaxed the girls work.

Library Council

This club is comprised of the younger girls interested in learning the intricacies of library work. The job of our future librarians is to keep the reading room in order and to learn the essentials of the various duties which make up the work of librarians. By belonging to the Junior Library Council, the girls receive their initial preparation for work in the Senior High Library.

Officers elected to serve the council were: President, Kay Squier; Vice-President, Dorothy Marineau; Secretary, Beverly Manske; Treasurer, Judith Diercks; Student Council Representative, Bonnie Robeck. Mrs. Koberstein, their able advisor, gave the girls all the necessary help that was needed.

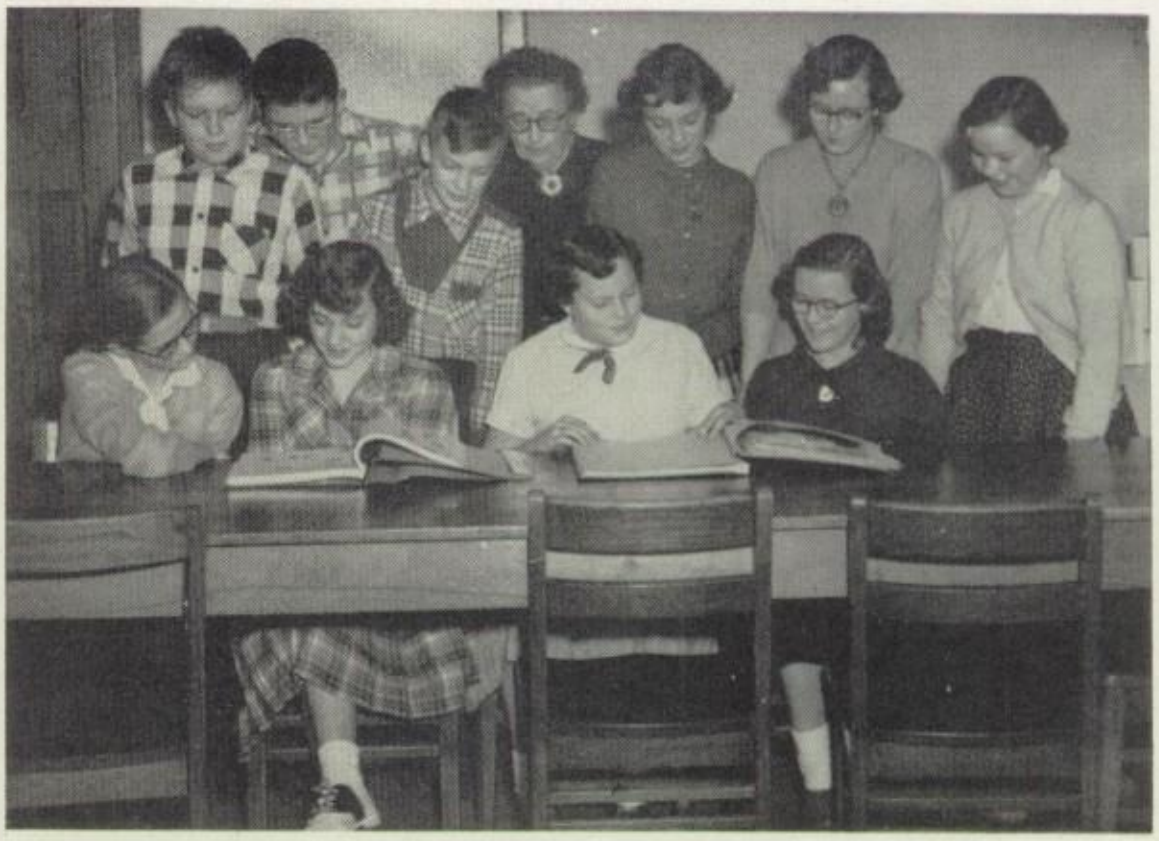
Stamp Club

The Stamp Club meets twice a month with Miss Ida Swanson as it advisor.

The main objectives of the Stamp Club are to learn the fundamentals of stamp collecting, to interest its members in stamp collecting as a permanent hobby, and to engage in stamp trading. In addition, they learn to identify many different kinds of foreign stamps.

The members also participated in activities other than these, including their annual party and the sponsoring of a dance after a basketball game.

The officers elected were as follows: President, Roberta Price; Vice-President, Connie Harpt; Secretary, Paul Tjaden; Treasurer, Jean Vermilye, Student Council; Marilyn Liljestrand, and Custodian, Pat Kleman.



Seated: B. Surk, M. Liljestrand, P. Kleman, C. Harpt. *Standing:* J. Hopper, H. Bandy, P. Tjaden, Miss Swanson, J. Bannow, J. Vermilye, R. Price.

Junior High Science Club

Members of the Junior High Science Club meet twice a month after school on Wednesdays. During the year the Club went on various field trips which were conducted by their advisor, Mr. Kenneth Exworthy. Demonstrations, such as how to make gun powder, were given which greatly interested the members and added to their scientific knowledge.

The officers of the club were: President, Dick Enstrom; Vice-President, Donald Drown; Secretary, Harry White; Treasurer, Vernon Braley; and Student Council Representative, Sheldon Friedstein.

Nucleus Club

The Nucleus Club meets twice a month with Mr. Robert Schuchart to further their study of Biology and to plan for the social events of the year.

Officers who served were: President, John A. Berg; Vice-President, Bill Hanson; Secretary, Kathleen Dahl; Treasurer, Nancy Ulvig; Student Council Representative, Gary DesJardin; and Reporter, Carol Nelson.

Outside speakers presented talks to the group on subjects that pertained to their work.

Row One: J. Bohan, L. Roeder, J. Johnson. *Row Two:* C. Nelson, T. Gilbert, E. Kleman. *Row Three:* S. Matz, B. Philipps, K. Dahl, J. Pfleger, S. Godson, J. Berg, Mr. Schuchart. *Row Four:* G. DesJardin, G. Berger, N. Ulvig, M. Borths, G. Braun, N. Faucett, B. Hanson.

Art Club

The Art Club, under the direction of Miss Behnke, again did a splendid job on the Christmas decorations which were found throughout the school. Our future artists held informal meetings with Miss Behnke. One of their main goals is to develop ideas for decorations which make our bulletin boards more picturesque.

The officers of the club were: President, Shirley Matz; Vice-President, Eleanor Kleman; Secretary-Treasurer, Joan Bohan; Student Council Representative, Mary Ott.

Row One: Miss Swanson, L. Phillips, J. Bohan, D. Wertepny, J. Rudolph, D. Marineau, L. Christopherson, J. Sellevold, B. Behrendt, Miss Behnke. *Row Two:* R. Gerend, P. Jensen, D. Olson, M. Rifle Club

The Rifle Club is one of the smallest sports functions of the school, but it is by no means the least active.

With Mr. Russell Madary as its instructor, these Junior Sharp-shooters not only learn how to use firearms, but they are also taught how to clean and care for them. In addition to this, they are given instructions in the safest handling of the weapons.

The following were elected to serve as officers for the club: President, Charles Buchman; Vice-President, Kenneth Exworthy; Secretary-Treasurer, Bob Pecha; Range Master, Ron Wingender.

M. Behrens, R. Beattie, L. Chmela, T. Wallfred, V. Landerman, J. Davis, D. Waugus, J. Schmidt.

MARINER

For the latest in news and views of M.H.S. all you need to do is pick up a copy of the Mariner. The Mariner Staff expertly covers all the news of interest to the high school.

Again under the supervision of Mr. William Jones, the Staff did a very commendable job on bringing us news of sports, social functions, and scholastic achievements.

Jim Davis, the staffs choice for Editor, did a fine job on editorials and news highlights of special interest. Assistant Editor, Don Waugus, assumed the duties of editor in his absence. Faye Dzurick and Gert Wood collected the news. The sports category was taken care of by Tom Wallfred and Charles Voskamp.

Seated: K. Ziemann, J. Graby, E. Sappington. *Standing:* F. Dzurick, G. Wood, C. Voskamp, C. Georgalan, J. Widen, E. Lang.

Row One: B. Soderborg, N. Smith, C. Ellis, N. Arendt, L. Chmela. *Row Two:* C. Price, S. Strom, E. Sappington, J. Graby, M. Cook, M. Cook. *Row Three:* J. Davis, M. Nicklaus, M. Schiner, J. Walk, B. Oakwood, N. Aagaard, M. Behrens, E. Gould, E. Lang.

National Honor Society

During the current year, members of the National Honor Society worked diligently to carry out the purpose of their organization, namely, to help raise the standards of achievements in our high school. This aim necessitated rigorous thinking and much self-discipline on their part.

Eligibility to the society is dependent upon scholarship, character, leadership and service and members are elected by the Faculty Honors Committee by means of a credit point system.

Two of the Society's annual projects realized this year under the direction of Miss Jennie Golden, its organizer, were tutoring students in need of extra help, and the awarding of a Good Citizens Scholarship to a member of the graduating class.

Officers elected for the year were: President, Charlotte Ellis; Vice-President, Marlene Cook; Secretary-Treasurer, Edward Lang; Student Council, Mary Jane Schiner; Program Chairman, Emelyn Sappington.

E. Sappington displays the National Honor Emblem to M. Cook, E. Lang, and C. Ellis.

Cartesian Club

The Cartesian Club is composed of those students who are interested in learning the various mathematical shortcuts to otherwise complicated solutions of problems. They study the square and cube roots, and the operation of the slide rule. This organization, under the supervision of Miss Margaret Thull, meets twice monthly.

The officers of the club were selected on the basis of their ability and efficiency in the handling of a meeting. They were President, Christine Price; Vice-President, Gary Larson; Secretary-Treasurer, Nancy Ulvig, Student Council, Bill Hanson.

On the social side, these digit fans also found time for fun. They sponsored a dance after a basketball game and enjoyed a party.

G. A. A.

G.A.A. is an organization open to any girl from the freshman to the senior class.

Our feminine sports enthusiasts participated in a wide variety of athletic activities. Included in these were: softball, bowling, volleyball, basketball, and touch football. Class teams were organized for competition against one another.

Any girl who takes part in a certain number of sports is awarded an M.

This year the group headed by Miss Mary Koehne, elected Shirley Maske as President; Anna Keller, Vice-President; Joyce Nicklaus, Secretary-Treasurer.

Alice Miller tabs high score in the school league.

M CLUB

Membership in the "M" Club is gained by earning a letter in any one of the various athletic activities of the school . . . tennis, track, football and basketball.

The main objective of the club, this year, was to raise enough money to obtain film to take moving pictures of our football and basketball games. This money was acquired chiefly through the dance the Club sponsored after the Shawano basketball game.

The officers chosen for the year were: President, Jon Hanson; Vice-President, Charles Voskamp; Secretary-Treasurer, Tom Kaufman; Student Council, Richard Peterson.

Row One: R. Leitzke, J. Berg, J. Widen, J. Schmidt, R. Poquette, J. Vermilye, D. Langlois. *Row Two:* R. Balthazor, D. Waugus, C. Georgalan, D. Benson, R. Meyer, J. Hanson, D. Wagner, R. Worm, D. PEP CLUB

The Pep Club is by far the largest and most active extra-curricular organization here at M.H.S. In addition to the regular members, both the football and basketball players have honorary memberships.

The Pep Club sponsors both the Varsity and Junior Varsity Cheerleaders. The Cheerleaders are a potential force behind the schools athletic activities. The club also took charge of the numerous pep rallies that were held before football and basketball games.

Under the direction of Miss Ruth Greene, the club did a splendid job this year on the homecoming festivities. Several clubs were awarded prizes for their skits through the efforts of the Pep Club.

Officers elected to serve were: President, Sally Miller; Secretary, Elaine Gould; Student Council, Ray Hill.

TWELFTH NIGHT CLUB

With a new spotlight for the auditorium as its goal, the 12th Night Club began its activities by taking charge of the concession stand at the Homecoming game with Watertown. Again, a play with an all boy cast was given for the annual dramatic contest and the boys did an excellent job portraying the characters in "In the Zone". Several discussion periods concerning current plays, lighting, and makeup were the highlights of the meetings. Jim Davis, President, took charge of the meetings with the following to assist him: Marilyn Cook, Vice-President; Beverly Oakwood, Secretary-Treasurer; and Jo Ann Farrell, Student Council. The club was under the guidance of Mrs. Alice Boerner, who, as usual, did a splendid job coaching the group.

FOOTLIGHTS

The Footlights, for the first time under the direction of Miss Wilma Swanson, commenced the year with the study of many varied dramatic techniques.

Footlights affords a training ground for those students who wish to receive a preliminary training for work in class plays and Twelfth Night. The members acquire an elementary knowledge of the staging and production of plays by performing in plays of their own.

Officers who served were: President, Maxine Kushman; Vice-President, Duane Glickman; Secretary-Treasurer, Robert Gerend; and Student Council, Lynn Christopherson.

B. Schultz, B. Roebeck, L. Christopherson, S. Friedstein and B. Gerend take a breather during practice sessions.

Latin Club

Latin Club officers A. Westphal, N. Smith, A. Thomsen, J. Sellevold, and S. Holmes work on a program of activities for the year.

If you were or have previously been a Latin student, you are eligible to join InterNos. The main purpose of the Latin Club is to teach its members more about Roman culture and the ways of the Romans.

This year the members held a Roman banquet on the Ides of March, the date of Caesars death. The first year Latin students acted as the plebians and served the second year students who played the role of the patricians. On the social side the Club sponsored a dance after a basketball game. They also entered a skit in the homecoming pep assembly.

Latin Club was for the first time under the supervision of Miss Ruth Greene, who did a fine job. The officers elected to serve the group were: President, Nancy Smith; Vice-President, Alice Westphal; Secretary, Judie Sellevold; Treasurer, Ardra Thomsen; Student Council Representative, Susan Holmes.

Hall Monitors

This is the group of students who keep in order the "between class" traffic in the halls. These students are monitors during their free periods and become a cog in the great wheel that runs our school. Their duties include signing all passes of students passing through the halls, collecting attendance slips from the class rooms, and courteously directing strangers to the various parts of the building.

Miss Carmen Savage and Mr. Ralph Schinski are the supervisors of this group. Miss Savage heads the Monitors in Senior High and Mr. Schinski has charge of those in the Junior High.

Student Council

A representative from each Home Room, Club, and Class, comprise the Student Council. The Council launched the March of Dimes campaign and also elected to forfeit the money usually spent for a Christmas treat. The money was instead given to some charitable organization.

Members of the Council attended a conference in Green Bay which endeavored to stimulate student participation in school, home, and city activities.

Mr. Bryum and Mr. Godson are the advisors to Student Council. The officers are President, Richard B. Peterson; Vice-President, Joyce Schroeder; Secretary-Treasurer, Tom Wallfred.

WHIPURNETTE

Through the combined efforts and co-operation of the Whipurnette Business and Editorial Staffs and their advisors Mr. Robert Brockman, Miss Irma Berner, and Miss Miriam Frothingham, another annual was published.

The Business Staff collected the ads for the Whipurnette while the Editorial Staff assembles the book.

The year was climaxed with the annual banquet given for the hard workers who made this book possible.

C. Ellis, S. Christensen, and M. Plautz work late to meet the deadline.

Intramural and inter-scholastic sports have given the students of Marinette High School many exciting memories of the past year. Football, basketball, track, volleyball, badminton, and bowling have all offered their full share toward the entertainment and physical conditioning of our student group.

In victory or defeat, the Marines played the game to the best of their ability and emerged from all contests with honor.

Varsity Football

Coach Stiehm.

A powerful experienced Wausau team spearheaded by Dave Strehlow and Jack Desnoyers, downed the Marinette Marines in the season opener 41-7. A tight first half saw Jim Hanson intercept a Lumberjack pass and return it for 63 yards and Marinette's lone t.d. The half ended at 7 all, but Wausau took the upper hand soon after the intermission. Jim Schmidt and Jon Hanson were standouts for the locals on defense.

Showing great improvement from a week ago the Marines matched the play of the heavier "Regents" of Madison West only to have victory slip by 14-12. An 80 yard kickoff return by Capt. Schmidt was the highlight of the game. Rollie Baumgarten and Schmidt scored the touchdowns for Marinette. Both scores came on short plunges as Schmidt's runback was stopped just short of the goal.

Conversions by Jim Schmidt proved the winning factor in the Marines first triumph of the year. Good defensive play and a hard running backfield led the way to the 14-12 decision over Wisconsin Rapids. Marinette's scores came in the second and final periods. First on a one yard smash by Carl Sievert and then on a pass from Chuck Voskamp to Pat McAuliffe.

With long range jaunts, Coach Stiehm's boys evened up the season record at 2 and 2 with a 27-0 win over Chippewa Falls. The Marine tallys came when Jim Hanson scored on a 67 yard run; Sievert lugged Baumgarten's pass for 60 yards; Schmidt went over from the 15; and when Jon Hanson completed the scoring with a 30 yard jaunt.

Hitting the hard luck trail again, the Marines invaded Escanaba only to be set back 15-7. A key block broke Carl Sievert loose on a 65 yard sprint with Rollie Baumgarten's screen pass to register Marinette's lone score.

A strong second half attack by the Marines brought them a 21-0 victory at the expense of La Crosse Central. Don Waugus scored twice for the locals. First, on a third period pass from Voskamp, and again in the final period when Chuck blocked a punt and Don grabbed it and raced 45 yards for the t.d. Jon Hanson also hit pay dirt after Sievert's 37 yard interception set up the score.

John Hanson was the big gun for Marinette, scoring five touchdowns for a total of 30 out of 33 points as the Marines won their homecoming tilt from Watertown 33-20. The backs romped up and down the field aided by fine line play in the team's most impressive game of the year.

The J.V.'s, although playing a scant schedule, showed power and superior deception in their two games. In the games, Escanaba and Peshtigo both became victims of the locals scoring punch. The Frosh dropped only one tilt and that was at the hands of Oconto Falls. In the first three games, the Freshies squeaked by Stephenson and overwhelmed Oconto twice.

Color Squads

Under the able leadership of Coaches Brockman, Krumheuer, Comeaux, and Schuchart, the color squads showed a fine knowledge of football. The color squads derived their name from the fact that the teams are formed each wearing different colored jerseys. These teams played the preliminiary contests to the varsity home games and many fans arrived early to watch the boys in action. The ideas behind color squad training, however are to give the boys valuable lessons in sportsmanship, fair play, and the fundamentals of football.

Marinette was a close second in the seven team Oconto Falls invitational track meet. The 440 yard dash was of particular interest as Sandy Heath set a new record with a 53.7 second time.

Although they lost to Green Bay East by only one point 56-57, the Marine thin clads took a majority of first places in the meet. Walt Manske was a double winner by placing first in both the 120 yard high hurdles and 200 yard low hurdles.

Two double winners were not sufficient for Marinette to overcome the Green Bay West speedsters. Hunt in the 440 and 200 yard dashes, and Champeau in the broad jump and shot put were the local boys that took top honors.

The big gun for Marinette was "Luch" Mudrak of the locals who outsped Escanaba and Menominee in the triangular meet at Escanaba. "Luch" placed first in the pole vault, broad jump, and held down a second place in the shot put, in which the Mariner took a clean sweep of all four places.

Shawano beat Marinette in the second battle between the two teams. Sandy Heath set a high jump record of 5' 9" and Jerry Hunt ran a brilliant 21:15 time in the 200 for a new track record.

Sandy Heath passes the baton to Jon Hanson as the Marine relay team pulls ahead of Shawano.

Off to a slow start, the Marine cagers dropped their first two tilts. The first was at the hands of their arch-rivals, Shawano, who with Damrue as sparkplug, out-pointed the locals by a 52-65 margin. The second game resulted in a 60-70 setback as Fred Boddy collected 38 points to lead the Escanaba Eskymos. Paul Thomsen was the Marine's high point man in both contests, collecting 16 in the first outing and 18 in the following game. Thomsen again led the scoring with a 16 point total and Tom Wallfred contributed 13 markers in the Marines first win of the season. The game was Marinettes all the way in the 58-48 win over the Oconto quintet.

The Marines then dropped two encounters. Both games ended with the locals 10 points on the short end of the score. Clintonville topped Marinette to the tune of 39-49 and La Crosse Central was victorious 43-53. Thomsen was the local leader with 11 points in the first engagement with Pat McAuliffe hitting for 14 in the second.

Back on the winning track, Ron Meyer and Dick LaPerriere with 21 and 15 points respectively, led the Marinette Cagers in a 68-53 triumph over Niagara.

By winning two more, the boys evened the season record at 4-4. Pat McAuliffe led the locals to victory over Peshtigo by spearheading the Marine attack with 17 points. Paul Thomsen had a field day, racking up 24 points in a very impressive win as the team gained revenge with a 69-65 victory over La Crosse Central.

The score was 54-51 as the Marines gathered another win at the expense of the Oconto Blue Devils. Ron Meyer led with 15 points. This tilt climaxed four straight wins and it looked as if the boys had found the mark.

With the entire team scoring, the Marines set a new game record in a runaway win over Chippewa Falls, 85-47. This score topped last year's mark of 80 by a five point margin. In a fast breaking game, Rollie Baumgarten and Jon Hanson both contributed 13 points toward the high score.

Lourdes and Peshtigo were the next victories of the Marines as the Shamrocks were downed 66-49, and the Bulldogs were bowled over 82-64. Ron Meyer pumped in 11 points to lead the Marinette

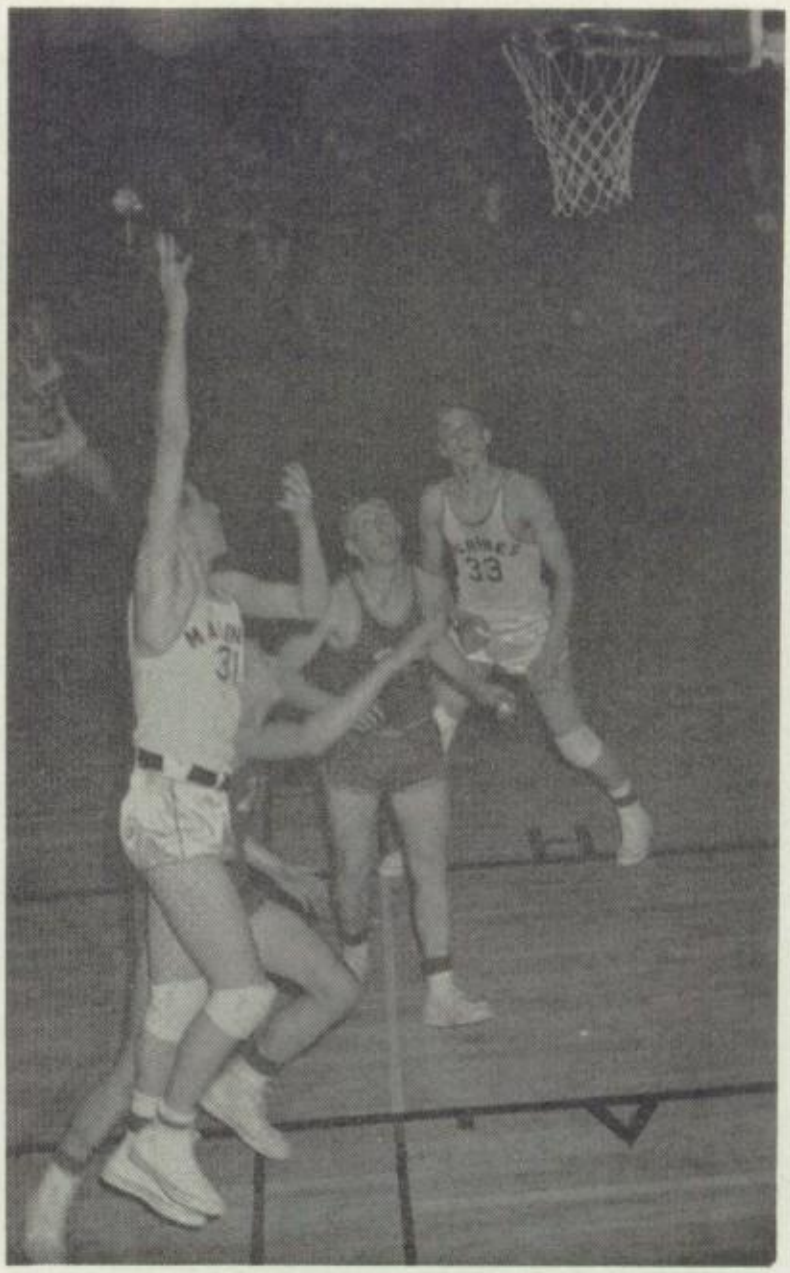
cagers against their inter-city rivals and Voskamp and Thomsen both had 14 to tie for honors against Peshtigo. This was the 7th straight win for the team and the 8th one out of 12 contests.

It was Marinette over Escanaba 68-51 in the second meeting between the two teams. Meyer, with 15 points, and Wallfred, one gift shot behind, led the team on to victory. With another win, the team maintained their honorable mention rating in the W. I. A. A. ball.

Big trouble hit our basketeers in the person of Bucky Lindsley, who collected 33 points as the Marines dropped a 68-76 decision to West DePere. McAuliffe with 16 and Meyer with 13 points tried hard, but couldn't overcome the sharpshooting of the visiting club.

Proceeding into the home stretch of the season, the Marines started to split at the seams. By dropping three more straight tilts to: Shawano, 43-53; Two Rivers, 69-71; and Lourdes, 51-53; the Marines collected a total of 10 wins and 8 losses including the 67-56 win in the Clintonville contest. Chuck Voskamp was team leader in this game with 22 points as the boys got ready for tournament play.



Pat McAuliffe hooks for two points as Baumgarten stands by for rebound.

Baumgarten takes a jump shot, surrounded by the entire Lourdes team.

Dave Lindbom drives in toward the basket in a close game with Oconto.

In fashioning an impressive record of 11 wins and only 5 set-backs, the Junior Varsity played fine ball under the coaching of Mr. William Joslin.

Hitting a little trouble at the start, they dropped the first game to Shawano, but bounced right back to take the following five games. In the second contest with Oconto, the Juniors couldn't find the hoop in the Oconto gym, but again won the next five games, including one from their schoolmates, the freshmen.

Shawano, Two Rivers, and Clintonville, were the only other losses as the young cagers took Lourdes to task in the next to the last game.

Several boys showed very fine play. Center, Dave Lindbom, set the pace with the high point total in 8 of the games. Every boy on the squad saw a good share of action and a good basketball future is assured with these boys joining the ranks of the varsity next year.

Bill Plautz outjumps a Lourdes player to get off a shot as the Junior Varsity won 46-32.

Freshman Basketball

In winning 5 of the 8 tilts on the Freshman schedule, the Freshies exhibited a fine brand of basketball. Coach Harmon taught the young hoopsters many of the fundamentals, and under his tutoring, Al Joy, Glen Bunda, and Bob Lindbom played with an ability which marked them as stars of the future.

We students, who have spent another successful year in the atmosphere of scholarship, which is the strength of Marinette High School, have found that what we have learned is the result of the unselfish, untiring, efforts of the faculty.

This group of specialists each in his own field, has trained us in the arts and the sciences, and in living together so that we can emerge as well-rounded citizens, of a democratic society.

Mr. W. F. Waterpool

In Memoriam

It is with deep sorrow that the students and teachers of Marinette High School face the reality of the passing of Mr. William Waterpool on January 16, 1953. Those who knew him recognized his ability, scholarship, rugged honesty, and keen sense of humor.

He viewed the educational scene with an insight and understanding which helped him to recognize the difference between an educational fad and a new practice which gave promise of more adequately providing for the range of individual differences among the students.

He had the rare ability of learning from personal experiences not only how to analyze, to study, and to solve his own problems, but also to understand and to help other people with theirs.

Although he was from the beginning to the end of his life concerned with children's welfare, he was also active in community affairs.

His contributions to leadership in the field of education have deeply influenced every public school in Marinette and have been a source of inspiration and guidance to students, teachers, and parents.

His works are his legacy.

Administration

The progress of Marinette High School is in part the result of the service and loyalty of Wm. C. Godson, new Superintendent, and former Principal of M.H.S. Mr. Godson has endeavored always to put uppermost in his mind the needs and wants of our school. His unfailing efforts and efficiency have made him a great figure in the operation of our school system.

Mr. Wm. C. Godson

Vice-Principal

Mr. S. D. Byrum is always busy with his many duties which help keep our school in good running order. He takes an active interest in school life and the general welfare of the students. Despite his tremendous responsibilities he still has time to lend help to the students and their problems.

Dean of Girls

Miss Jennie Golden's unceasing helpfulness and friendliness has gained for her the highly respected position of Marinette High School's Dean of Girls. Both the faculty and students appreciate the efforts on her part in performing this duty.

From the youngest to the eldest, in orderly progression, the ranks of Marinette High students, as in other years, were filled with the same intelligent, outstanding, honest type of individual for which this school has long been famous.

The students studied, they worked, they played, always with the same goal in mind, to be a credit to their community and their school.

SEVENTH GRADE

Although this was their first year at M.H.S. the seventh graders proved to all that they possess the ability to keep up with the rest of us. Their party was a success and they were well represented on the honor roll. Mr. Stiehm, class Advisor, lent a helping hand whenever it was necessary.

For their leaders they chose: President, Cindy Istas; Vice-President, Peter Messenger; Secretary, Donald Pearson; Treasurer, Andy Genszler, and Student Council, Katheleen Fagan.

JUNIORS

The Class of '54, in keeping with the tradition, made a great success of their Junior year.

Their Class Play, "Room For One More", was a smash hit. Another of the memorable highlights of the year was the annual Junior Prom, which drew the acclamation of all those who attended.

Earlier in the year the class elected officers who served during the year. They were: President, Ronald Worm; Vice-President, Russ Seguin; Secretary, Gerald Martz; Student Council Representative, Carol Gould.

The Senior Class of 1953, as they move on down the road of history, take with them their memories, but leave behind a record of achievement that is not easy to surpass.

Academically, dramatically, musically, athletically, this class has left its mark for those unborn generations of the future to emulate.

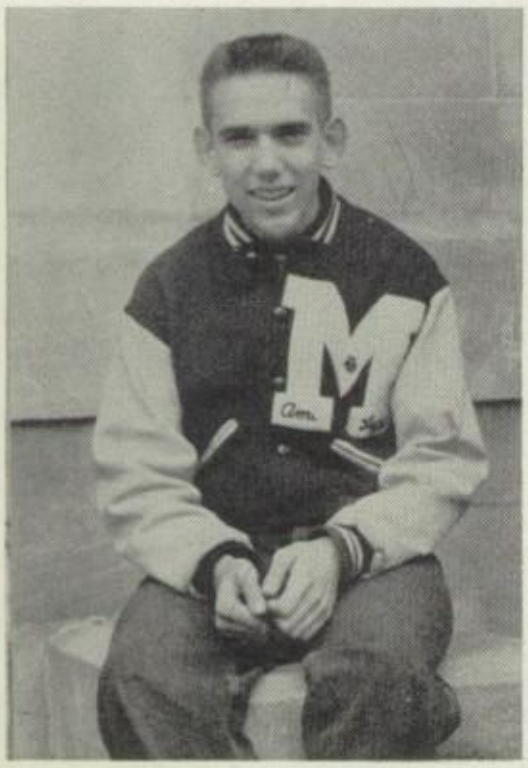
To the class of 1953, we say well done!

Senior Class Officers

Paul Thomsen, *Treasurer*

Richard B. Peterson, *President*

Jim Schmidt, *Student Council*



Tom Wallfred, *Secretary*

Jim Davis, *Vice-President*

Six years of struggles, smiles, and success have formed the background and developed the character of the Seniors from M.H.S. Under the able guidance of Mr. Robert Schuchart, the Seniors enjoyed a memorable year.

Though all the treasures of high school days are now exhausted, there still remains the many happy memories of their happy and carefree school days. The Junior Prom given in their honor; the triumph of the Senior Class Play, Our Town, which was so ably directed by Miss Mary Forthun; and the gay class party with Carousel as its theme . . . all the memories which will always remain with them.

The class chose to elect to the coveted office of Class President, Richard B. Peterson. Other officers chosen were: Vice-President, Jim Davis; Secretary, Tom Wallfred; Treasurer, Paul Thomsen; and Student Council, Jim Schmidt. All of the boys did an excellent job in their roles of officers.

The year was finally climaxed by the end that is really the beginning—Graduation. With their diplomas now in their possession, the Seniors began a new phase of their life.

You and the World of Work

The world of work lies ahead. It's a magical, ever-changing world.

The world of work will claim 40-50 years of your life. Your success in this world of work will determine the kind of life you and your family will lead.

Is there an opportunity for you in this new world?

Yes. More than 30 million new jobs will open up before you're 40 years old. By 1975 there'll be 90 million jobs in our country; today there are 60 million.

Yes. Today's 60 million workers are doing more than 24,000 different kinds of work. By 1975 several thousand new jobs will be developed; jobs which are unknown today!

Yes. Our standard of living is improving. Compared to yesterday, working hours today are shorter, leisure time is greater, pay checks are larger, people are buying and enjoying more things. Compared to today, tomorrow will be even better. You will have more material possessions—cars, homes, clothes, furniture—than any other people have ever had.

Yes. America is reawakening spiritually. More people are leading deeply satisfying lives. More people are going to church, reading good books, hearing fine music, painting pictures, working together harmoniously in clubs and charities and organizations. Our world of work today makes this possible. Your life will be even richer.

The world of work and the world of adult living await. Plan your part in these worlds intelligently.

OUR VERY BEST WISHES

. . . to some very nice people!

A very personal, a very sincere "Good Luck" wish for every Senior graduating this year!

We do mean personal, too . . . because we've had the good fortune to know so many of you so very well, practically all your life!

We're proud of our graduates—and happy to be able to take this occasion to add our good wishes to those of your other family friends!

Sincerely,

LAUERMANS
